Make a difference in your community!

****Receive up to \$16,000 Hiring Bonus****

Excited about a career in Law Enforcement?

Riverside County Sheriff's Department is looking for individuals with a positive attitude; excellent data entry and listening skills; and who are interested in working in a high call volume setting.

Riverside County Sheriff's Department has 3 dispatch communication centers. The centers provide the highest quality and most professionally competent public services to over 1 million residents of the County. The centers are staffed 24 hours a day/365 days a year, and handle emergency 9-1-1 calls for service as well as wireless calls, non-emergency, and allied agency calls.

Sheriff's 911 Communications Officers work rotating shifts including nights, weekends, holidays and may be required to work overtime.
